**No. 005**  
CACHE-LIST EXCUSAL FORM

I, \_\_\_\_\_, cannot go and find the required geocaches, and this is the reason: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_. As a result, I understand that I will be banned from all raffles until May. I also understand that if I get this form rejected, I am required to go and find the caches listed on the Cache-List. I will also not be able to turn in another of these forms, ever. I swear that this is a form that is truthful, and not a lie. I will now sign on the line below.
